...Priced Right

**SEPTEMBER INSTANT REBATE:
\$10 OFF POS-X PRINTERS**

The Xr510 Thermal and Xr210 Impact receipt printers have been built to withstand the harshest Retail and Restaurant environments at a price that doesn't break the bank. Our NextGen Hi-speed printers offer you the choice of near-silent thermal printing, or heat-resistant impact printing. With interchangeable interface cards (USB, Parallel, Serial & Ethernet) and a cable included in every box, it is truly Point of Sale Perfected!

XR510 HI-SPEED THERMAL PRINTER

The Xr510 next generation Hi-Speed Thermal Receipt Printer sets the bar in performance and price. The Xr510 has been redesigned from the inside to operate day-in and day-out in the harshest of environments that require steadfast performance. Perfect for high-volume retail and hospitality operations, the Xr510 features 25% faster printing, JamFree Autocutter Technology, and now includes the interface cable standard with all models.

XR210 HI-SPEED IMPACT PRINTER

The Xr200 Impact Receipt Printer is built to last. Its thick casing dampens sound, making the Xr200 the quietest impact printer in its class. Two-Color printing, RJ11 Cash Drawer port, OPOS drivers and up to 3-Ply printing are among this printer's many features. Boasting a splash-resistant housing and wall mount capabilities, it is the perfect choice for Kitchen areas and other hot and humid environments.
